Notes to the Monthly Operating Reports (“MOR”): October Report

General Notes:

On February 3, 2023, Emergent Fidelity Technologies Ltd (the “Debtor”), under the control of Angela Barkhouse and Toni Shukla as the Joint Provisional Liquidators pursuant to the Appointment Order¹ of the Eastern Caribbean Supreme Court, High Court of Justice, Antigua and Barbuda (the “Antigua Court”), dated December 5, 2022, filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code with the United States Bankruptcy Court for the District of Delaware (the “Court”) (the “Emergent Chapter 11 Case”). On March 23, 2023, the Antigua Court entered an order converting the provisional liquidation into a full liquidation pursuant to the International Business Corporation Act, Cap 222, and appointed Angela Barkhouse and Toni Shukla as the Joint Liquidators (“JLs”) of the Debtor.

On April 10, 2023, the Court entered an interim order authorizing the joint administration of the Emergent Chapter 11 Case with the chapter 11 cases of FTX Trading Ltd. and its affiliated debtors and debtors-in-possession, *In re FTX Trading, Ltd., et. al*, Case No. 22-11068 (JTD).

On May 10, 2023, the Court entered a final order authorizing the joint administration of the Emergent Chapter 11 Case with the chapter 11 cases of FTX Trading Ltd. and its affiliated debtors and debtors-in-possession, *In re FTX Trading, Ltd., et. al*, Case No. 22-11068 (JTD).

The following notes should be referred to, and referenced, in connection with any review of the MOR:

Accuracy:

The financial information disclosed herein was unaudited and preliminary and not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. In preparing the MOR, the Debtor relied on financial data and other information derived from its books and records and pursuant to the JLs’ ongoing investigation of the Debtor’s affairs that were available at the time of preparation. The Debtor hereby reserves the right to challenge or otherwise dispute the validity, status, or enforceability nature of any claim amount, representation, or other statement in this MOR, and reserves the right to amend or supplement this MOR if necessary.

Reporting Period:

Unless otherwise noted herein, this MOR generally reflects the Debtor’s books and records and financial activity occurring during the current reporting period, i.e., from October 1 through October 31. Except as otherwise noted, no adjustments have been made for activity occurring after the close of the reporting period.

¹ The Appointment Order is attached as Exhibit B to the *Declaration of Angela Barkhouse in Support of the Debtor’s Chapter 11 Petition* [D.I. 3, Case No. 23-10149].

Part 1: Cash Receipts and Disbursements – Cash Balance

The Debtor does not have any cash on hand to be reported in Part 1; however, out of an abundance of caution, the Debtor included in Line (a) the aggregate balance of retainers held by professionals retained by the Debtor in the U.S. and the JLs in Antigua (collectively, the “Professionals”) as of the time of chapter 11 filing on February 3, 2023.

Part 2: Assets and Liability Status – Total Assets

On or about August 31, 2023, the Department of Justice, with the consent of the parties in interest, sold the Robinhood shares that it had seized, and thus the Robinhood assets consist entirely of cash, which the DOJ continues to hold. *See United States v. Samuel Bankman-Fried*, Case No. 1:22-cr-00673 (LAK), ECF 242 (S.D.N.Y. Sept. 1, 2023). Accordingly, Line (d) and Line (e) include (i) the aggregate sale proceeds of the Robinhood shares and (ii) the aggregate balance of retainers held by the Professionals.

Part 2: Assets and Liability Status – Postpetition Payables

Part 2, Line (f) includes (i) all fees and expenses accrued by the Professionals that have not yet been paid and (ii) all obligations that became due and payable after the filing of this chapter 11 case under the prepetition financing documents. The Antiguan Professionals, including the JLs, are subject to engagement and a fee approval process pursuant to an order of the Antigua Court. The Debtor anticipates filing a motion to approve a cross-border protocol that will contain procedures for resolving the jurisdictional implications of this Court and the Antigua Court over the retention and fee approval process for the Antiguan Professionals, including the JLs.

Part 2: Assets and Liability Status – Prepetition Secured Debt

Part 2, Line (k) includes, among other things, the aggregate amount of the claims of the BlockFi entities. The Debtor disputes such claims in all respects.

Part 4: Income Statement – Reorganization Items

Part 4, Line (j) includes all fees accrued by the Professionals during the current reporting period.

Part 5: Professional Fees and Expenses

Part 5 provides a list of the Professionals retained by the Debtor in the U.S. and the JLs in Antigua. As noted above, the Debtor anticipates filing a motion to approve a cross-border protocol that will contain procedures for resolving the jurisdictional implications of this Court and the Antigua Court over the retention and fee approval process for the Antiguan Professionals, including the JLs.

Supporting Documentation: Bank Account

As previously reported, the JLs on behalf of the Debtor opened a debtor-in-possession bank account with Axos Bank. There is no cash deposited in the account and there has been no transfer of any cash or proceeds in and out of that bank account.

Supporting Documentation: Payments to Insiders

No payments were made to insiders during the current reporting period.
